Period 5 >	2:15pm - 3:15pm

Click on the above image to see a clearer 'Assembly Bell Times' image.

SWPB Theme

Our School-wide Positive Behaviour theme for Term 4 is **Achieving Success,** encouraging every student to take positive steps towards achieving their personal best.

Throughout the term, students will explore what achieving success looks like in everyday school life, including setting goals, maintaining a positive attitude, trying new things, demonstrating a hardworking approach, asking questions and seeking feedback to support their learning and growth.

Just a reminder to all our Pakenham Secondary College parents and students that we have an amazing doctor and nurse who run a clinic on site at school every Tuesday 9:30am - 1:00pm.

The doctor and nurse are from Headspace.

Headspace is a Youth-focused organisation who offer a variety of mental and physical health supports to young people.

This is a free service and it is easy to book in through compass, scan the QR code or click here.

If you want to book through compass just click on the star at the top of the page and select the dropdown option "Book Appointment with Doctors in Secondary Schools".

Both booking options take you to a simple form to fill out.

If you have any questions speak to Allysha from Wellbeing.
