I am aware that should there be insufficient student numbers that some classes will not take place and I may be given a subject I have selected as a back up. I understand that if I have selected a VET in Schools program that is delivered outside of the College, that I am responsible for finding my own transport and that I will conduct myself appropriately as a representative of Pakenham Secondary College.

I give permission for my child to undertake the subjects we have discussed. I am aware that some subjects, including VET programs, have additional fees to cover the costs of camps and materials included in the program. **I will pay all costs in full by 10th February, 2026.**
